

September 2009

Dear Parents/Guardians,

“The Joy of Piano Lessons”

Piano lessons will again be offered for students in grades 1-6 who have an interest and are willing to practice daily. If time allows, a new program will be offered for Kindergarten students.

The fee for a private, one-half hour lesson is \$19.00. The student must have a piano or a reasonable sized keyboard. If time and the right combination of beginning students permits, class piano lessons (2 or 3) will be offered. This fee is \$15.00 per student.

When your child signs up for piano lessons you reserve the piano teacher’s time each week. If your child is absent from school due to illness, he/she is excused from piano lessons. However, if your child is in school and forgets his/her music or hasn’t practiced, your child is still responsible for the time reserved. Payment must be made at the time of each lesson or at the beginning of each month.

Lessons are available during school or after school on a first come basis. Please return the sign up form below to the school office by Friday, September 11, 2009.

Sincerely,
Mrs. Rose Marie Kyle
Piano Teacher
