St. Joseph School  
Fall 2008

Dear St. Joseph Parents,

This brochure has been compiled to make the selection of after school activities easier. Please:

- Review the material in this brochure.
- Select those activities for which your child would like to enroll.
- Complete the Student Application (permission/health form) attached, indicating the activities and fees for the activities selected.
- Submit the Student Application and one check payable to "St. Joseph School" in an envelope marked "Enrichment Clubs" by the date indicated for the activity.

Financial assistance is available. Please contact the school principal to discuss.

**Please Note:**

- If an activity is overenrolled, all students who meet the criteria for the activity will be entered into a pool with final participants randomly selected. Anyone not selected will be notified and the check will be returned (or a refund will be issued).
- If an activity is under enrolled it may be cancelled.

Our goal is to provide a variety of programs that meet the interests of our students. We welcome your questions and comments as we proceed through the school year.
